

GRABENSTRASSE 56, GRAZ

AUSTRIA

The heritage-protected building Grabenstrasse 56 in the posh district Geidorf of Graz is situated in a small park and dates from the 18th century. A former, cylindrical post Milestone from 1890 stands at a corner of the house. The building will be completely renovated by taking advantage of the subsidies for comprehensive renovation. A total of eleven residential units will be built and rented.

On behalf of the general designer bkp ZT GmbH, convex ZT GmbH is responsible for the structural design.
